Note: Disclaimer and audit information is located at the end of this document.

Prior Authorization Policy

Products Affected:

- Actemra (tocilizumab)

The Plan may authorize coverage of the above products for members meeting the following criteria:

Covered Use	All FDA approved indications not otherwise excluded
Exclusion Criteria	<ol style="list-style-type: none"> Use of Actemra in combination with a biologic DMARD (e.g. Humira, Enbrel, Cimzia, etc.) Use of Actemra in combination with a Janus kinase inhibitor (e.g. Xeljanz)
Required Medical Information	<ol style="list-style-type: none"> Chimeric antigen receptor (CAR) T cell-induced severe or life-threatening cytokine release syndrome (CRS) (IV only); OR Giant cell arteritis (GCA) (SQ only); AND <ol style="list-style-type: none"> An inadequate response, or adverse reaction to at least one glucocorticoid Polyarticular juvenile idiopathic arthritis (pJIA) (IV and SQ); AND <ol style="list-style-type: none"> History of at least 6 months of active disease; AND

* Plan refers to Boston Medical Center Health Plan, Inc. and its affiliates and subsidiaries offering health coverage plans to enrolled members. The Plan operates in Massachusetts under the trade name Boston Medical Center HealthNet Plan and in other states under the trade name Well Sense Health Plan.

	<ul style="list-style-type: none"> b. At least five joints with active arthritis (swollen or limitations of movement accompanied by pain and/or tenderness) and/or at least three active joints having limited motion; AND c. An inadequate response, or adverse reaction to at least a two month trial of one non-biologic DMARD (oral or injectable), or concurrently receiving methotrexate; AND d. An inadequate response, intolerance or contraindication to Enbrel OR Humira. <p>4. Moderate to severe rheumatoid arthritis (RA) (IV and SQ); AND</p> <ul style="list-style-type: none"> a. An inadequate response, or adverse reaction to methotrexate AND at least one other non-biologic DMARD (oral or injectable); AND b. An inadequate response, intolerance, or contraindication to Enbrel OR Humira <p>5. A diagnosis of Systemic juvenile idiopathic arthritis (sJIA) (IV and SQ); AND</p> <ul style="list-style-type: none"> a. One of the below: <ul style="list-style-type: none"> i. An inadequate response, or adverse reaction to a minimum of a two month trial of one non-biologic DMARD (oral or injectable), or concurrently receiving methotrexate; OR ii. An inadequate response, or adverse reaction to a minimum of a one month trial of one nonsteroidal anti-inflammatory drug; OR iii. An inadequate response, or adverse reaction to a minimum of a two week trial of one glucocorticoid; AND b. An inadequate response, intolerance, or contraindication to Enbrel OR Humira
Age Restrictions	PJIA, SJIA, CRS: 2 years of age and older RA, GCA: 18 years of age and older
Prescriber Restriction	GCA: Prescribed by or in consultation with a rheumatologist or neurologist SJIA, PJIA, RA: Prescribed by or in consultation with a rheumatologist CRS: Prescribed by or in consultation with an oncologist or hematologist
Coverage Duration	12 months
Other criteria	Reauthorization: 1. Clinical condition has improved or stabilized

Applicable Coding:

Code	Medication
J3262	Actemra® (tocilizumab injection)

Disclaimer Information

Medical Policies are the Plan's guidelines for determining the medical necessity of certain services or supplies for purposes of determining coverage. These Policies may also describe when a service or supply is considered experimental or investigational, or cosmetic. In making coverage decisions, the Plan uses these guidelines and other Plan Policies, as well as the Member's benefit document, and when appropriate, coordinates with the Member's health care Providers to consider the individual Member's health care needs.

^{*} Plan refers to Boston Medical Center Health Plan, Inc. and its affiliates and subsidiaries offering health coverage plans to enrolled members. The Plan operates in Massachusetts under the trade name Boston Medical Center HealthNet Plan and in other states under the trade name Well Sense Health Plan.

Plan Policies are developed in accordance with applicable state and federal laws and regulations, and accrediting organization standards (including NCQA). Medical Policies are also developed, as appropriate, with consideration of the medical necessity definitions in various Plan products, review of current literature, consultation with practicing Providers in the Plan's service area who are medical experts in the particular field, and adherence to FDA and other government agency policies. Applicable state or federal mandates, as well as the Member's benefit document, take precedence over these guidelines. Policies are reviewed and updated on an annual basis, or more frequently as needed. Treating providers are solely responsible for the medical advice and treatment of Members.

The use of this Policy is neither a guarantee of payment nor a final prediction of how a specific claim(s) will be adjudicated. Reimbursement is based on many factors, including member eligibility and benefits on the date of service; medical necessity; utilization management guidelines (when applicable); coordination of benefits; adherence with applicable policies and procedures; clinical coding criteria; claim editing logic; and the applicable Plan – Provider agreement.

^{*} *Plan* refers to Boston Medical Center Health Plan, Inc. and its affiliates and subsidiaries offering health coverage plans to enrolled members. The Plan operates in Massachusetts under the trade name Boston Medical Center HealthNet Plan and in other states under the trade name Well Sense Health Plan.
