NHHPP Reimbursement Rates Change

Please note that the Centers for Medicare and Medicaid Services is requiring New Hampshire Medicaid to change the New Hampshire Health Protection Program (NHHPP) reimbursement rates, **effective August 15, 2017**. As of that date, reimbursement will align with standard Medicaid rates. NHHPP under the managed care organizations covers individuals that are medical frail.

For additional information, including the revised New Hampshire Department of Health and Human Services maintained NHHPP fee schedules and related June 13, 2017 notice, please visit the following link: [6/13/17 NH DHHS NHHPP Change Notice](#).

You can contact your dedicated Well Sense Provider Relations Consultant or the Well Sense Provider Relations Department at NHProviderInfo@WellSense.org with any questions.

Thank you.
