RE: Outpatient Speech Therapy

For dates of service February 1, 2014 through May 31, 2014, Well Sense Health Plan will approve sessions for members under age 21 receiving outpatient speech therapy who are already engaged in active speech therapy. Therefore, for your current outpatient speech therapy patients *who are under age 21 only*, please [this excel file](#), complete all fields and fax with all required information to the Well Sense Prior Authorization department at 603-218-6634. Please allow 5 business days for notification of prior authorization approval to be mailed/faxed.

For members under age 21 who are engaged in ongoing speech therapy, Well Sense Health Plan will communicate with you no later than April 1, 2014 with prior authorization requirements for dates of service June 1, 2014 and beyond.

For members new to treatment who receive evaluations, please complete and submit the Prior Authorization form as outlined in our [Provider Manual](#).

If you have questions or concerns, please contact the Provider Services department at 877-957-1300, option 3
