

WellSense Medicare Advantage PPO Plans 2026 Provider and Pharmacy Directory

This directory is current as of October 01, 2025.

This directory provides a list of WellSense Medicare Advantage plan's current network providers for our members in New Hampshire.

To access WellSense Medicare Advantage plan's online provider directory, you can visit **wellsense.org/medicare**. For any questions about the information contained in this directory, please call our Member Service department at **855-833-8128**, 8 a.m. to 8 p.m. Monday through Friday. We are available seven days a week Oct. 1 through March 31. TTY users should call **711**. This directory is available in a different format for the visually impaired by calling us at the number listed above.

Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee each provider listed is accepting new patients. Before you schedule an appointment, please call your provider to verify they are in our network.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **wellsense.org/medicare**. You may also call Member Service at **855-833-8128** (TTY/TDD users should call **711**) for updated information.

If you request it, your request for hard copies of the provider directory remains until you leave our plan or request that hard copies be discontinued.

Introduction

This directory provides a list of WellSense Medicare Advantage's network providers, including medical, behavioral health, dental and vision providers. You can also find a list of contracted pharmacies and durable medical equipment providers. Network providers have contracted with us to deliver services to members of our plan.

To use your routine hearing benefit, please call Member Service at **855-833-8128** (for TTY, dial **711**) to schedule an appointment. The TruHearing hearing benefit is available to those members enrolled in WellSense Signature Access (PPO). For more detailed information on your hearing benefit, please refer to your Evidence of Coverage.

You may choose a Primary Care Provider (PCP) to provide and oversee your medical care. PCPs can help manage your general health care as well as help direct and guide you to other providers should you need services that they cannot provide. You have the option to get your routine and basic care from your PCP. They may also coordinate additional care you are covered for under the plan. If you need additional care from specialists, there are no referral requirements. You can choose to either see a provider in the WellSense Medicare Advantage PPO network or you can choose to go to a non-contracted provider. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

To select a PCP, go to the list of providers starting on page 3 and choose a provider in our network who is accepting patients. It may be a PCP that you use now, been recommended by someone you trust, or whose offices are easy for you to get to. Generally, appointment wait times for receiving routine and preventive care with your primary care and behavioral health providers should occur within 30 business days.

The network providers listed in this directory have agreed to provide you with healthcare services. You may go to any of our network providers listed in this directory. Other providers are available in and out of our network.

Out-of-network providers are under no obligation to treat WellSense Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at **855-833-8128**, 8 a.m. to 8 p.m. Monday through Friday. We are available seven days a week Oct. 1 through March 31. TTY users should call **711**. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

If you are experiencing a medical emergency, you may obtain emergency services from the closest available provider. You can also get urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable. Emergency care and urgently needed services should be provided immediately. If services are not considered emergency care or urgently needed services, but you require medical attention, those services should be provided within seven business days.

With the exception of emergencies, it may cost more to get care from out-of-network providers.

What is the service area for WellSense Medicare Advantage?

WellSense Signature Access (PPO) plan is available in Hillsborough county.

How do you find WellSense Medicare Advantage providers that serve your area?

Providers are listed in alphabetical order by city/town of their office location and then by last name. In addition to contact information, provider listings also include specialties and skills, such as languages spoken or completion of cultural competence training.

You can search for a provider by their "type." Examples include: Primary Care Providers, Hospitals, Skilled Nursing Facilities, Outpatient Mental Health Providers and physicians who provides health care services for a specific disease or part of the body.

If you have questions about WellSense Medicare Advantage or require assistance in selecting a PCP, please call our Member Service Department at **855-833-8128**, 8 a.m. to 8 p.m. Monday through Friday. We are available seven days a week Oct. 1 through March 31. TTY users should call **711**. You can also visit **wellsense.org/medicare**.

Pharmacy Introduction

This booklet provides a list of WellSense Medicare Advantage plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and WellSense Medicare Advantage's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means WellSense Health Plan. When it refers to "plan" or "our plan," it means WellSense Medicare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan enrollees. In most cases, your prescriptions are covered under WellSense Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 01, 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Cornerstone Health Solutions. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for New Hampshire, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Service at **855-833-8128** (TTY users should call **711**).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This page intentionally left blank

Retail Pharmacies, including Chain Pharmacies

This part of the Directory includes a list of network pharmacies that participate in and accept WellSense Medicare Advantage. Pharmacies are listed alphabetically by city/ town so you can find one near you.

Mail Order Pharmacy

Cornerstone Health Solutions
844-319-7588 (TTY: 711)
cornerstonehealthsolutions.org

You can get prescription drugs shipped to your home through our network mail order delivery program. Pharmacies are to obtain consent before shipping or delivering any prescriptions the member does not personally initiate. For refills of your mail order prescriptions, please contact us 7 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. This pharmacy also supports electronic prescribing.

Typically, you should expect to receive your prescription drugs within 5-7 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **855-833-8128** or TTY users can dial **711**. To learn more about mail order pharmacies, see Chapter 5 of the Evidence of Coverage.

Long-term Care Pharmacies

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under WellSense Medicare Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy. To learn more about drug coverage in special cases, see Chapter 5 of the Evidence of Coverage.

Pharmacy Contact Information

This pharmacy directory was updated on 10/2025. For more recent information or other questions, please contact WellSense Medicare Advantage Member Service at **855-833-8128**, or for TTY users, **711**, 8 a.m. to 8 p.m. Monday through Friday. We are available seven days a week Oct. 1 through March 31. Or visit **wellsense.org/medicare**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **wellsense.org/medicare**. You may also call Member Service at **855-833-8128** (TTY/TDD users should call **711**) for updated information.
