

WellSense Medicare Advantage HMO and PPO Plans **2026 Pharmacy Directory**

This pharmacy directory was updated on February 15, 2026. For more recent information or other questions, please contact our WellSense Member Service Department at **855-833-8128** or, for TTY users, **711**, 8 a.m. to 8 p.m. Monday through Friday. We are available seven days a week Oct. 1 through March 31. You can also visit wellsense.org/yourmedicare.

Our network has changed more than usual for 2026. An updated Pharmacy Directory is located on our website at wellsense.org/yourmedicare. You may also call Member Service at **855-833-8128** (TTY users should call **711**) for updated information. **We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

Pharmacy Introduction

This booklet provides a list of WellSense Medicare Advantage plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and WellSense Medicare Advantage's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means WellSense Health Plan. When it refers to "plan" or "our plan," it means WellSense Medicare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan enrollees. In most cases, your prescriptions are covered under WellSense Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of February 15, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Cornerstone Health Solutions. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for New Hampshire, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Service at **855-833-8128** (TTY users should call **711**).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Mail Order Pharmacy

Cornerstone Health Solutions
844-319-7588 (TTY: 711)
cornerstonehealthsolutions.org

You can get prescription drugs shipped to your home through our network mail order delivery program. Pharmacies are to obtain consent before shipping or delivering any prescriptions the member does not personally initiate. For refills of your mail order prescriptions, please contact us 7 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. This pharmacy also supports electronic prescribing.

Typically, you should expect to receive your prescription drugs within 5-7 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **855-833-8128** or TTY users can dial **711**. To learn more about mail order pharmacies, see Chapter 5 of the Evidence of Coverage.
