- I must keep both Hospital (Part A) and Medical (Part B) to stay in WellSense Health Plan Medicare Advantage. WellSense Medicare Advantage HMO and PPO are types of Medicare Advantage plans offered by WellSense Health Plan with a Medicare contract. Enrollment in the WellSense Medicare Advantage HMO and PPO plans depends on contract renewal.
- By joining this Medicare Advantage plan, I acknowledge that WellSense Health Plan Medicare Advantage will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below). Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.
- I understand that I can be enrolled in only one MA plan at a time - and that enrollment in this plan will automatically end my enrollment in another MA plan (exceptions apply for MA PFFS, MA MSA plans).
- I understand that when my WellSense Health Plan Medicare Advantage coverage begins, I must get all of my medical and prescription drug benefits from WellSense Health Plan Medicare Advantage. Benefits and services provided by WellSense Health Plan Medicare Advantage and contained in my WellSense Health Plan Medicare Advantage "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor WellSense Health Plan Medicare Advantage will pay for benefits or services that are not covered.

Payment Options

Payment Options: ☐ Social Security deduction ☐ RRB automatic deduction

Bill Me: ☐ Monthly ☐ Electronic Funds Transfer (EFT)

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail or Electronic Funds Transfer each month. If you choose EFT for payment, you can download the Automated Clearing House Authorization form from our website at wellsense.org/medicare or contact Member Services for assistance. **You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month. If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium.** The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DON'T pay WellSense. The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

Paying your plan premiums

Need help with your prescription drug costs? If you have a limited income, you may be able to get Extra Help (also known as Low-Income Subsidy, LIS) with your prescription drug costs. If you qualify, Medicare could pay for 100% or more of your costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, you won't have a coverage gap or late enrollment penalty. Many people are eligible for these savings and don't even know it. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only part of your premium, we will bill you for the amount that Medicare doesn't cover. For more information about Extra Help/LIS, contact your local Social Security office, or call Social Security at **1-800-772-1213**. TTY users should call **1-800-325-0778**. You can also apply for Extra Help/LIS online at www.socialsecurity.gov/prescriptionhelp.
