Don't lose it, renew it

How to renew your MassHealth coverage

It's important to have medical coverage at all times so that your healthcare appointments, prescriptions and lab tests are covered when you need them. Every year, MassHealth recipients need to renew their health insurance to keep their no-cost coverage.

3 steps to staying covered

1 Update your contact info

Share your up-to-date contact information with your health plan and with MassHealth at **mass.gov/masshealthrenew** so you don't miss important renewal notices.
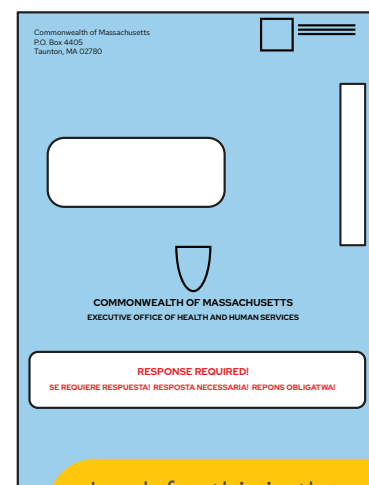

2 Renew your coverage on time

Choose how you want to renew, and do it ahead of the deadline.

- Online at **MAhealthconnector.org**

- Over the phone at **800-841-2900** (TTY: 800-497-4648) with a MassHealth representative

- On paper using the form that came in the mail from MassHealth

- In person with an Enrollment Assister listed at **MAhealthconnector.org** under "Help Center"

3 Collect your paperwork

Visit **wellsense.org** or scan the QR code for a list of documents you may need for renewal.
