Reminder: Senior Care Options contract end

As we've previously shared, WellSense was not selected by MassHealth to operate a Senior Care Options (SCO) plan in 2026. Our current contract will continue through Dec. 31, 2025. We will no longer serve SCO members as of Jan. 1, 2026.

SCO members are encouraged to select a new plan in the next few months. Members who do not choose a new plan before Jan. 1, 2026, will be automatically enrolled in the fee-for-service MassHealth plan and a standalone Medicare Part D plan for prescription drug coverage (if applicable).

For a complete list of Senior Care Options plans, patients may visit mass.gov/hhs/sco.

Note: WellSense remains a carrier for your patients enrolled in WellSense MassHealth ACO, MassHealth MCO and Clarity (ACA) plans for 2026 and beyond. The WellSense SCO plan is the only plan ending Dec. 31, 2025.
