Reminder: Senior Care Options contract end

As we have previously shared, WellSense was not selected by MassHealth to operate a Senior Care Options (SCO) plan in 2026. Our current contract will continue through Dec. 31, 2025. We will no longer serve SCO members as of Jan. 1, 2026.

SCO members are encouraged to select a new plan in the next few months. Members who do not choose a new plan before Jan. 1, 2026, will be automatically enrolled in the fee-for-service MassHealth plan and a standalone Medicare Part D plan for prescription drug coverage (if applicable).

To help minimize the potential for disruption of care, we are asking you to encourage your WellSense Senior Care Options patients to select a new SCO plan. Below are the SCO plans for which your patients may qualify

Plan	Phone Number	Website
Fallon NaviCare	877-255-7108 (TRS: 711)	navicare.org
Senior Whole Health by Molina Healthcare	888-566-3526 (TRS: 711)	molinahealthcare.org
Tufts Health Plan Senior Care Options	855-880-0056 (TTY: 855-670-5940)	thpmp.org/sco
UnitedHealthCare	855-517-3462 (TRS: 711)	UHCCommunityPlan.com
