## Important information about WellSense Senior Care Options

This is a reminder that WellSense Senior Care Options will no longer be a plan option on Jan. 1, 2026. Patients who are still enrolled in WellSense Senior Care Options on Dec. 31, 2025 will automatically be enrolled in the MassHealth fee-for-service plan.

Patients have been notified and are strongly encouraged to enroll in a new Senior Care Options plan now to keep their extra benefits beyond MassHealth Standard and Medicare, such as dental, vision, transportation and over-the-counter card, to use toward the purchase of groceries and drugstore items.
