

# Prior Authorization/Notification Requirements

This document, outlining common services that require prior authorization or Plan notification, is for use by participating WellSense providers and vendors. Prior authorization/notification requirements apply to Plan products (MassHealth, Senior Care Options, and Clarity plans (formerly known as Qualified Health Plans/Commercial)) as indicated by the symbol ♦.

***Please note that all non-emergent out-of-network requests require prior authorization.***

The Plan and contracted vendors evaluate requests for covered services and determine medical necessity through the use of InterQual® criteria (nationally recognized commercially purchased) or internal medical policies that are evidence-based.

Prior to scheduling a service, please refer to Covered Services list (MH), (SCO), and Clarity plans (formerly known as QHP) and the Plan's Provider Manual, Clinical Coverage or Reimbursement Policies, and Provider Communications for coverage and/or processing requirements for the service in question. Check the Lookup Tools for Prior Auth requirements for specific CPT and HCPCS codes. These documents and tools can be found on the Plan's website [www.wellsense.org](http://www.wellsense.org).

**NOTE:** The guidelines included in Plan policies on [www.wellsense.org](http://www.wellsense.org) are applicable to members enrolled in Senior Care Options *only if there are no criteria established for the specified service in a Centers for Medicare & Medicaid Services (CMS) national coverage determination (NCD) or local coverage determination (LCD) on the date of the prior authorization request.*

***If the requested service is of an urgent nature, as defined in the Provider Manual, Section 8.7, please indicate "URGENT" on your request.***

As of 09/10/23, the Plan follows InterQual® 2023 criteria sets.

With any questions, contact the Plan's Prior Authorization Department at:

**1-888-566-0008, option 3 "Medical Services, Authorizations and Notifications other than Behavioral Health or Pharmacy"**  
or the appropriate vendor as listed below.

The Plan has contracted with vendors to manage the following services:
