To: Well Sense Health Plan Network Providers

Dear Provider,

Thank you for working with the Well Sense Health Plan HEDIS team to retrieve medical records during the 2019 HEDIS season.

Your collaboration is very valuable. By helping us, you provide timely access to medical records, and in turn we are able to meet our project deliverables.

We look forward to working with you again next year during the 2020 HEDIS season. If you have any suggestions for improving processes, please direct them to Dainery Nolasco at dainery.noloasco@bmchp-wellsense.org.

Yours truly,

Jocelyn Woodruff

Manager of HEDIS Program Performance
